Distance

One of the best things about Kirkwood is its location. Kirkwood is just five miles from downtown Atlanta. Kirkwood is surrounded by fun areas filled with shopping and restaurants that include Little 5 Points, Decatur, Candler Park, East Atlanta, and Virginia Highlands.

Kirkwood is also convenient to the airport; to the universities of Emory, Georgia State, and Georgia Tech; and to the interstate highways I-20 and I-75/85. Kirkwood is also on the MARTA east rail line.
